*from*

*Mrs. David Rhea (Estelle Suggs) Haston*

**David Rhea** [10-2-1900 – 4-1-1985] **and Estelle Suggs** [1-26-1910 – 11-29-1998] **Haston** spent their final years in Sparta (White County), Tennessee.

For 20+ years (from the mid-1960s until some time in the late 1980s or so), Dave and Estelle did a phenomenal job of researching and preserving our family's history. Estelle, in particular, connected with Haston family members ALL over the country and wrote perhaps hundreds of letters, engaging them in Daniel Haston family research. In every town they visited, Estelle ripped the Haston names out of phone books and proceeded to write every listed Haston household to engage them in learning about their Haston roots.

Their work was amazingly accurate for the era in which they were active researchers. There was no Internet or email, long-distance phone calls were expensive, there was no or very limited access to copy machines, and there were no online genealogical and historical resources. Estelle typed letters on onion skin paper with multiple layers of carbon copies and included stamps with her letters in hopes of encouraging responses.

However, research into Haston family history has progressed since David Rhea and Estelle's age and health forced them to pass their efforts along to others who followed them. The Internet has surfaced family records in ways they never dreamed of. DNA technology has broken down many genealogical brick walls they ran up against. And interaction among other family researchers and formerly unknown branches of the Daniel Haston FAMILY has become easier and much less expensive.

Consequently, some of what Estelle recorded has been corrected (*updated*, perhaps, is a better word) by more recent discoveries. That is particularly true of what was known about Daniel Haston's European heritage, his early life, and some of the children unknown to us for generations.

As is true with all family information passed down to us (especially older records and stories) or other family "facts" gathered from unknown original sources, be careful of what you cite as (real true) facts without comparing it with current validated documentation and evidence.

Dear Mrs. Haston,

I was beginning to think that you had forgotten to write and I have found some court records on Arthur Mitchell & Malinda in Warren Co.

First I want to fill in some blanks to your information on William Riley Haston. He married Lucinda PASSONS, daughter of Wm J T Passons and Celia Grissom on 9-27-1873 (if I copied the date correct in White Co Marriage Records. Tuck Haston was born 5-4-1877 died 7-8-1947 according to rock at Mt Zion Cem, Viola, Warren Co.

These people are descendants of Arthur & Malinda: Maude Mitchell McClary, Murfreesboro & her cousin Judge Mitchell Woodbury, Odra Mitchell, McMinnville I have talked to all of them. Odra says Arthur & Malinda are buried at Bethlehem Cem with no markers. Odra's mother Malinda Sparkman Mitchell bn 1880 d 1910 is buried there with a marker. Odra's father Kelly Mitchell remarried and is buried with second wife. Kelly was a son of Harmon & Martha Young. Martha was a sister to Mollie Young. Most of Arthur & Malinda children lived around Gath sodid Arthur & Malinda after leaving Van Buren Co.

Do you have any information on Wiley B? Haston that married Tamar Austin bn betwee 1804-1810, dau of John Austin b 1779 Ky & Rachel Denny. This John Austin second wife was a Catherine Haston. John is buried at Lost Creek Austin Cem. I need more on this line for my Austin line. My other lines are PHIFER, MILLER, FRAZIER, PASSONS, GRISSOM, ROBERTS, MITCHELLS, all in White Co.

Come to see me sometime. I talked to Evelyn Shockley this week she has Simmons connected to my Mitchells and Moores.

LOST LINKS IN THE LEWIS FAMILY TURN UP IN WHITE COUNTY, TENN.

Major William Lewis, from South Carolina, with four of his sons, settled in White County, Tenn, came to Hickory Valley in White County, Tennessee and settled in 1798. Three of the four sons had made a trip from the old home in South Carolina, to the vicinity of Nashville, prior to this time, and on this trip had camped one night at the head of Cane Creek, where they discovered a lead mine, and loaded up with the metal and went on, with the resolve to return later and claim the mine, which they were never afterwards able to locate. Upon their return trip they passed through Hickory Valley. On reaching South Carolina they received their grants for lands brought their father and younger brother back to White County and settled in Hickory Valley. William Lewis the father, was a revolutionary soldier and is said to have been with Washington at Valley Forge. Major William Lewis' four sons were:

- 1. Thomas Lewis *b. 1745 in SC from Holey Lewis*
  - 2. Benjamin Lewis *d. 1775 in VA*
  - 3. Elijah Lewis *d. Ca 1850*
  - 4. William Lewis *d. 1777 in VA*
- M. Mary*  
*M. Elizabeth*  
*M. Mary*

With the Lewis family from South Carolina came two brothers named John and William Mitchell and a sister. Benjamin Lewis married the Mitchell sister, and they became the parents of three boys and three girls, as follows:

- 1. Mitchell Lewis
- 2. Harvey Lewis — *Gr. Gr. Son*
- 3. John Lewis
- 4. Leah Lewis m. William Bryan
- 5. Patsy Lewis m. James Cracky
- 6. Betty Lewis m. Joseph Simmons

Benjamin Lewis was a soldier in the war of 1812 and was with Jackson at New Orleans. These Lewis' had cousins by the names of Bryan, Gracey, Warren, Rodgers, Hayes & Mayes.

Tandy Lewis, possibly a relative of the Lewis family of which Major William Lewis, from South Carolina was the head, served as President of the County School Board, County Surveyor and a Representative in the Legislature

HISTORY OF WHITE COUNTY - Seals

P 7 - Some of the early settlers were the following: Second district: John Felton and five brothers from the Carolinas, Benjamin Lewis, William Lewis, a Revolutionary Veteran who settled in Hickory Valley, Tom Lewis, Ike Lewis and Benjamin Lewis, their father.

P 87 - THE LEWIS FAMILY. There were four Lewis brothers, Tom, Ben, Elizah, and William who together with their father came to Hickory Valley in 1798 from South Carolina. Benjamin, William, and Elijah had made a trip to Tennessee before this, having gone to Nashville. They had hired an Indian guide in East Tennessee and on the way to Nashville had spent one night at the head of Cane Creek. Here the Indians showed them a lead mine from which they took all the lead they needed, but they were never able again to find the mine. On their return to South Carolina they went through Hickory Valley. Upon reaching South Carolina they received grants for land and returned to Hickory Valley with their father and little brother to settle. William Lewis settled the lands now known as the Roane County Wallace land, building his house where the Wilson boys now live. William later traded this land for the land where James Easton now lives and spent the remainder of his days there. William Lewis was a Major in the Revolutionary army, having been with Washington at Valley Forge. Elizah settled in the upper end of Hickory Valley on the land now known as the James Wallace place. Benjamin Lewis settled near the center of the valley at a big spring by the side of an Indian trail. This old

place is now owned by Granville Rogers. Major William Lewis, father of the Lewis boys settled the lands now known as the Hiran Miller place. He willed this land to his youngest son, Thomas. With the Lewises came two Mitchell brothers, John and William, and their sister. Benjamin Lewis married this Mitchell girl. ~~xxxxxxx,xxxxx,xxxxx~~ They had six children, three boys and three girls. The boys were named Mitchell, Harvey, and John, and the girls were named Leah, who married William Bryan, Patsy married James Gracy (her descendants are the Graceys, Warrens, Rogers, Hayes and Mayes) Betty married Joseph Simmons. This Benjamin Lewis was a soldier in the war of 1812 and was with Jackson at New Orleans.

Goodpasture, on the bill process & returns orders of publication exhibits, answer of Guardian Adetion ? order proconfessoed proof and proceedings had in this cause when among other things it appeared to the court that the following named adults to wit: James Moonyham, John Moonyham, James Lewis and wife, Rachel Lewis, Elizabeth A. Dup? James Carter and wife Malinda J. Carter, I. M. Hasting were nonresidents of the state of Tennessee and that publication had been made for four consecutive weeks in the New Era, a news paper published in the Town of McMinnville, Tennessee, before the November term 1870 commanding them to appear and plead answer or demurr to complainants bill. It further appeared to the court that said defendants had failed to make any defense to Complainants bill and that the same was taken for confession and ~~itzzfurther~~ set for hearing ? as to them at the Nov term 1870 of this Court. It further appeared ~~rit~~ that the following named defendants towit: Isam H. Haston, W. H. Hasting, James Hasting, N. L. Hasting, D. L. Hasting, W. D. Hasting, B. L. D rham, and May Durham are minors under the age of 21 years without regular guardian and that the y had been duly & legally served with process more than ~~fove~~ five days before the November Term 1870 of this Court. It further appeared that A. J. It further appeared to ~~box~~ the court that Complainant Mary Hasting is the daughter of Nathan Durham and wife of Wily B. Hasting, Deceased, and that the said Nathan Durham on or before the 7th day of January 18 for love and affection formally executed and acknowledged & delivered to complainant a deed for the land mentioned in the pleading which is described and bounded as follows ~~is~~ lying in Van Buren County, Tennessee containing by estimation 935 acres after plotting out a tract belonging to Sarah Shockly in Turkey <sup>Cock</sup> Creek Cove: beginning on a forked Maple & pine stake two

poles south of A R Parkers corner of a five thousand acre survey on the Millstone Creek No.theast of Martin Collins place now owned by W D Cannes thence running south 400 poles to a stake & pointers in said survey; thence east 420 poles to a forked & maple on the bluff of the mountain thence north 400 poles to a beech & dogwood on a hillside; thence west 420 poles to the beginning. It further appeared to the court that this land so made executed and delivered to complainant by her father Nathan Durham, for the above described lands was fraudelantly destroyed before it was registered, it further appeared that the said N than Durham was persuaded and induced without a v luable consideration to make another deed for this same land to her husband Wily B. Hasting, which deed has never been registered. It further appeared to the cou from the pleadings & proof on file that complainant is the legal owner of the a above described tract of land b y virtue of said deed made to her by her father as above shown. It is therefore ordered and decreed by this court that the deed made by the said Nathan Durham on the 12th day of September 1859 to Wily B Hasting is fraudulent and void and without consideration, and a cloud upon the L? of complainant who is the legal and proper owner of said land. It is therefore ordered and decreed b y the court that the title to the above described land be divested out of the defendants and vested in complainant ? ? and that the deed so made to complainant by the said Nathan Durham be set up . It is further ordered that complainant pay the court of this cause for which execution may i sue. It is further ordered by the Court that Savage & Swafford & W. B. Dear Mrs. Steele,

I surely enjoyed our brief encounter at the Sparkman Reunion this past Sunday.

We are having rain in Sparta today, and yesterday, and again tomorrow, some as a result of Eloise in the Gulf of Mexico. I had allotted this week to finish uprooting completely my Iris bed and redoing it - too wet, so I can get to a little of my correspondence.

Re: Nancy Haston Carroll or Carrol

Daughter of David & Margaret Roddy Haston & born 28 June 1823  
in Van Buren County (White, at the time of her birth);  
she married first: McGregor Earles, on Nov. 1843: Van Buren County

In White County Wills & Settlements, Vol. B P 634, the following:  
Account of Isaac T. Haston, Guardian of minor heirs  
of McGregor Earles, dec'd, on 22 March 1867:

Rebecca Earles  
Obediah Earles  
Elzada Earles

Nancy married 2nd: Jesse Carroll on 15 Nov. 1853, Van Buren County, Tenn

Note: there is a marriage record in V. B. County for: Nancy Earles  
to Benjamin F. Underwood, dated 20 Nov. 1860, which Dave and I think  
might be her daughter, in as much as her name is the same, and  
the guardian settlement mentions minor heirs, might indicate  
there were older children.

For your file I am attaching a list of the children of David & Margaret R.  
Haston.

I shall look forward to receiving the reproduction of your Sparkman family.

Sincerely

Mrs. D. R. Haston

Mr. and Mrs. Dave R. Haston

Dear Folks:

Just a few words referring to our 'phone conversation of a few days ago concerning children of My Great Aunt, Arminda Shockley, and my Great Uncle, Billy Haston, since I do not know these children, I will greatly appreciate it if you will take the time to give me the list.

Mrs. Haston, you reminded me that I had neglected to mail you the names of my immediate family. Below I will give you the names as we came into the WORLD;

<sup>2. 1868-1938</sup>  
My father was, Isaac Samuel Shockley, #2  
My mother was, Nellie Maynard Shockley,  
Oldest sister is, Bernie Shockley Sparkman, Married Mal C. Sparkman, deceased, they had two children-a son and daughter. both reside in the middle west where they are employed.  
Creed Bates Shockley, Married Cornelia Clark Shockley, had three children, Wilna Jo, our oldest child died at the age of two and one half years of age. Our son, Russell Shockley, is married to Willowdean Hamby Shockley, they have two children, a daughter in Tenn. Tech at Cookeville, their son is in high-school in Knox County, Tennessee.  
Perilla, deceased, Married Will Broyles, and they had two children, Willalma, married Herbert Mitchell and her son, Euclid married a Barnes and live in Tullahoma, Tenn.  
William Burrell Shockley, my brother, deceased, married Mary Ruth Lowery, deceased, they too, had two children, William Lowery and Mary Sue Shockley Hoover, live in Dallas, Texas. They have three children, two daughters and a son...sorry, but I do not know the names of their children. They have always lived out west and we seldom see them.  
David Ray Shockley, married a Mills and they have seven girls... lost their only son at the age of 23, I believe. Can't recall the names of his children since they have been away most of their lives...up north, a part of them and some of their husbands are, and have been professional soldiers and spent much of their time in foreign service.  
Eula Shockley Crum, married Henry Crum, deceased, and they have have one living son-age-in his late 20s at home with his mother. His name is Leslie and they reside in Detroit, Mich.  
Three babies of our family died in baby-hood-two girls and one boy. The boy was un-named the baby girls were, Lora Mae and the younger baby was Beulah V. Shockley.

This covers our set...despite the fact that I do not know the names of so many nieces and nephews, due infact, to our having lived away from each other most of their lives.

Enclosed you will find a bit of information that, in a sense, is repeating some of the above;

Respectfully,

Creed and Cornelia

Dave, I had this particular piece in my files some place... after searching, and searching again, I found it and as I had planned for sometime to make copies and mail you one...a little late in carrying out my plans-however-here it is and I trust that you will get a pleasure out of reading it and at the same time-own a copy of your own.

AUNT BETTIE HASTON AND HER HUSBAND, ESQ. JOE M. HASTON WERE FROM TWO DIFFERENT FAMILIES OF THE WELL KNOWN HASTONS OF THIS IMMEDIATE PART OF TENNESSEE. AS YOU, THE READER OF THESE NOTES GLANCE ABOVE AND NOTE THAT AUNT BETTIE WAS THE DAUGHTER OF ISSAC HASTON AND ELIZABETH SPARKMAN. HER HUSBAND WAS THE SON OF M. G. HASTON, AND RACHEL WHEELER. IT IS TRUE THAT THESE PEOPLE WERE REARED IN THE SAME PART OF VAN BUREN COUNTY AND SPENT MOST OF THEIR LIVES ON THE FARM, WHERE THEIR FAMILY OF CHILDREN GREW UP. IT'S TRUE THAT ESQ. J.M.HASTON GAVE AN AWFUL LOT OF HIS TIME TO COUNTY AFFAIRS. HE SERVED AS A MEMBER OF THE COUNTY COURT FOR A NUMBER OF YEARS AND WAS CHAIRMAN OF THIS BODY A GREATER PART OF THE YEARS THAT HE WAS PRIVILEGED TO REPRESENT HIS SECTION OF THE COUNTY.

IF MY MEMORY SERVES ME CORRECTLY, VAN BUREN COUNTY BUILT IT'S FIRST BRIDGES THAT CONNECTING THE ADJOINING COUNTIES, STILL STAND AS A TRUE MONUMENT TO THOSE PROGRESSIVE CITIZENS OF THAT LONG AGO DAY... VAN BUREN'S FIRST COUNTY PIKES WERE LIKEWISE BUILT DURING THIS REGIME. HIS LONG PERIOD OF SERVICE WAS OUTSTANDING.

VERY RESPECTFULLY,

We are planning a Maynard Family reunion on Saturday, September 13, 1986 at the Burritt College Civic Center in Spencer.

You will need to bring enough food for your family, also eating utensils. Drinks will be furnished.

We plan to eat at noon and visit the rest of the afternoon. We hope you will bring all the family, we are hoping for a good turn out. Several people have expressed a desire to have a reunion so we decided it was time to do so. I will be looking forward to seeing you then. If you have any question call me at 528-8021 or Willette at 946-2110.

Sincerely,

Sue (Maynard) Simmons

Dear Mrs Haston,

I was so glad to hear from Aunt Ruth (Mrs I. H. Haston) that you and your husband are getting together the necessary information for a family book on the Hastons. I'm enclosing the most complete information on our branch of the relatives that my sister Margaret and I could come up with. If we can be of any further help please let us know. Aunt Ruth also forwarded some the list of Grandpa Haston's brothers and sisters you'd sent her and I'm happy to have this.

We'll be looking forward to the time when you have the material ready to put out in book form, and hope you'll reserve a copy for the Knights. Just let us know how much. I know this sort of thing is not as cheap as people would wish - we bought a book on the Bradleys (my husband's mother's family) a couple of years ago - but it is most interesting to have.

With best wishes to you for the success of the project.

Sincerely,  
Elizabeth Austin Knight

Dear Hugh,

It was a pleasure to have received your telephone call, and the packet containing your family history.

At your request I have checked into it and find it in excellent order. To sort of flesh it out, I have added a few items of possible interest to you.

If, at any time, I can be of assistance to you, along these lines, please do not hesitate to call on me.

Dont forget the Haston Reunion, the second Sunday of August.

HISTORY OF WHITE COUNTY - Seals

P 97

CHARLES T. Haston was born in what is now Van Buren County in 1847 and came to Hickory Valley in 1883. He was a farmer and a large stock raiser. He would often send as many as a hundred head of cattle out on Cumberland mountain to graze during the summer. He bought one of the first reapers in White County in 1883, and in the same year he erected one of the first woven wire fences in the County. He bought and sold cattle, hogs, and sheep. For several years he was a member of the County Court. Mr. Haston was chairman of the convention that nominated Buchanan for Governor. This was a very noisy convention. A wrangle started, whereupon Mr. Haston with a voice that could easily be heard above the noise of the wrangle said, "Boys, boys, stop that wrangling or the chair won't sit any longer." This brought down the house. Buchanan was immediately nominated.

HISTORY OF WHITE COUNTY - Seals

P 97

VAN HASTON, brother of C. T. Haston, ran a fine farm in Western Hickory Valley and raised fine stock. He was a factor in the development of that part of the County but was not as active in the affairs of the county as was his brother, though Van Haston was once County Surveyor.  
\*  
Dick Haston, another brother was also a useful citizen and large land owner and stock raiser. All these were descended from David Haston

\* Erastus (Dickey) Haston - not a brother of Van, but a 1st cousin. He was son of Isaac T. Haston a brother of William Carroll Haston who was the father of Charles T. & Van Haston.

Dear Mr. Haston:

In response to your recent inquiry about information on Daniel Haston, I have searched the records in the Register of Deeds Office in Hyde County and find nothing of any great interest. The marriage records do not go back any further than 1825, so I found nothing to enlighten me there. I checked the Land Grants and found nothing conveyed to Daniel Haston. The nearest name I could find to that was 100 acres conveyed to S. M. Holton. For relief of Officers & Soldiers in the Continental line and other purposes I found grants to Capt. John Eborn (1645 acres in 1789) and others, but not one named Daniel Haston. There was also a Grant to Job Halsey (Hausly), but do not think that this could be construed to be Haston.

In the Record of Deeds Book I found a Deed to Joseph S. Hastings, Jr. (Hasten) from Geo. Henry Hastings, now of Geneva, Switzerland and Charles Blanchard Hastings of Boston, Mass., all three sons of J. S. Hastings, Sr. Also a quit claim Deed to J. S. Hastings for 640 acres of land in lieu of a deed that was lost or mislaid, by J. R. Donnell, Eli Smallwood, Thomas H. Blount, Will B. Rodman, Will A. Blount, Mary O. B. Rodman, Mary M. B. Rodman, Bryan Grimes, and L. O. Grimes. The one and only Presbyterian Church in Hyde County is Calvary Presbyterian Church, located in Swan Quarter, established in 1902.

There is not a Will nor an executor or Administrator in the name of Haston in the Office of the Clerk of Court. Sorry, I have exhausted everything and everyplace I know where to look.

Yours very truly,

Dear Mrs. Mangrum:

In our short talk at Old Union Reunion in August, I promised to send you the families of Tuck & Elmas Haston. I apologize for the delay, but I have had some outside work that I wanted to get done - failed, however, and these rainy days have caught me. So, I decided to get to some of my correspondence.

I have attached my records on Tuck & Elmas.

And you said that if I'd ask you in this letter for your information on the children of ~~John~~ Mitchell & Malinda Haston, you would send it to me. I will appreciate this information.

Trust that you are having good hunting in your gelealogical research.

Sincerely
